Beaufort Co. File No.: 14-CVS-327

Dear Potential Class Member:

This letter is to notify you of the filing of the Preliminary Claimants List in which you may be a potential class member. Please review the attached Notice of Filing that indicates your current status as a Claimant in this matter. This Notice of Filing was prepared based on the information that was provided by each potential claimant and filed with the Court pursuant to the Settlement Agreement.

This Notice is provided to you because you have submitted claim information. As you will read in the Notice, some claimants have provided all necessary documents to be included in the settlement, and some have not. The Notice sets out three (3) categories of claimants. Those categories are:

- 1) Claims Process Complete
- 2) Affidavits or Similar Information
- 3) Claims Process Incomplete or N/A

Claimants listed in the #1 "Claims Procedure Complete" columns have submitted all necessary documents to be eligible to participate in the settlement.

Claimants listed in the #2 "Affidavits or Similar Documents" columns have submitted documents similar to Affidavits for supporting information such as birth certificates, marriage licenses, etc. We have not made a determination of whether the information is sufficient to participate in the settlement. The Court will make a determination of the viability of these documents.

Claimants listed in the #3 "Claims Process Incomplete or N/A" columns have submitted only a portion of the required documents necessary to participate in the settlement or are otherwise barred for making a claim as noted.

Potential Class Member
June 8, 2015

Claimants have thirty (30) days from the filing of the Preliminary Claimants List with the court, to file an objection to the inclusion or exclusion of any person on or from the Preliminary Claimant List, along with such documents as the objector deems appropriate. In other words, you may object to not having been included and provide additional information that might be helpful. If you believe that you should be included, please gather the information that is missing and submit that information. **The deadline for the objections and document submission is July 8, 2015.**

If you seek to file an objection and/or additional documents, please DO NOT mail the documents to the Clerk of Court for Beaufort County. PLEASE SEND THE ADDITIONAL INFORMATION TO OUR OFFICE in the specified time frame and as counsel for the Class, I will see that the documents are filed appropriately.

You may find the Settlement Agreement and Notice of Filing posted on www.whiteandallen.com. There you will also find links to all pertinent documents filed in this matter.

Sincerely,

WHITE & ALLEN, P.A.

DEFENDANTS' NOTICE OF FILING
OF THE PRELIMINARY CLAIMANT
LIST

NOW COMES Matthew S. Sullivan, as counsel for the Defendant Class, and pursuant to that Settlement Agreement ("Agreement") and Court Order approving the Agreement, files the Preliminary Claimant List. In support of this filing, the undersigned shows unto the Court as follows:

1. Pursuant to paragraph 4 of the Agreement, the undersigned caused to be published certain information relating to a Claims Procedure for the Eliza Diamond Class Action.

2. The Claims Procedure required that any person contending they were an heir of Eliza Diamond and entitled to participate in the settlement, had to file a Notice of Claim and then a Proof of Claim with supporting documentation.

3. That Notice of Claims were submitted in a timely fashion and those individuals received additional information and instructions regarding the completion of the Proof of Claim. The correspondence for the Proof of Claim that contained instructions is attached hereto as Exhibit A.

4. The undersigned, despite the language of paragraph 4 of the Agreement regarding untimely submissions and those individuals being barred, provided information and instructions to a claimant that provided a Notice of Claim after the filing deadline. That individual has a notation of "late entry."

5. The Deadline for Filing the Proof of Claim and any supporting documentation ran on May 9, 2015. Pursuant to Paragraph 6 of the Agreement, the undersigned is providing to the Court this Preliminary Claimant list within thirty (30) days.

6. In an effort to assist the Court with the claims process, and in some instances confusing and overlapping information, the Preliminary Claimant list is broken down into claimants falling under one of the seven children of Eliza Diamond, all of whom were identified in the Referee's Report. Those seven children are: Mary Jane Moore, John Allen More, William Thomas Moore, Hezekiah Moore, Millie Moore, William David Moore, and Betsy Williams.

7. Each claimant falls under one of the seven children. The claimants are then divided as set forth in Paragraph 6 of the Agreement; specifically the claimants are listed as either: (a) a list of claimants who have satisfied the filing requirements (Completed claims); (b) a list of claimants who have filed a claim with an affidavit and/or other supporting documents; and (c) a list of conflicting (Incomplete) claims with supporting documents. Additionally, there is a notation as to each claimant, as to whether he/she is eligible to participate as to Tract 1 and/or Tract 2.

8. The undersigned provided considerable liberty with the information to be considered an "affidavit". The undersigned accepted as an affidavit, any statement with supporting information that might otherwise be used to document a family relationship to Eliza Diamond or any person identified in the Referee's Report.

9. The undersigned has grouped any claimant that submitted a claim that did not fall within the first two categories within the "conflicting" or "incomplete" category. It should be noted that these claims may not be "conflicting," but in some instances just incomplete. By way of example, there are a number of claimants who failed to provide certain information. The undersigned did not nor could not determine whether that person should or should not be included within the class.

10. Any claim that is listed in the "conflicting" category has a notation of what information may be needed to complete the claims process or an indication as to why that claimant may not be a class member.

11. The undersigned attempted to provide the broadest latitude to permit claims. For example, there are individuals

who failed to submit claims under additional heirs for whom they are eligible to participate. In that regard, those individuals may be listed twice. Those claimants may be included under two categories: "completed" as to one heir and "conflicting" as to another heir.

12. The Preliminary Claimant List for Mary Jane Moore Descendants including a list of claimants with completed claims process, claimants relying on affidavits or other supporting information and a list of conflicting claims is attached as Exhibit B.

13. The Preliminary Claimant List for John Allen Moore Descendants including a list of claimants with completed claims process, claimants relying on affidavits or other supporting information and a list of conflicting claims is attached as Exhibit C.

14. The Preliminary Claimant List for William Thomas Moore Descendants including a list of claimants with completed claims process, claimants relying on affidavits or other supporting information and a list of conflicting claims is attached as Exhibit D.

15. The Preliminary Claimant List for Hezekiah Moore Descendants including a list of claimants with completed claims process, claimants relying on affidavits or other supporting information and a list of conflicting claims is attached as Exhibit E.

16. The Preliminary Claimant List for Millie Moore Descendants including a list of claimants with completed claims process, claimants relying on affidavits or other supporting information and a list of conflicting claims is attached as Exhibit F.

17. The Preliminary Claimant List for William David Moore Descendants including a list of claimants with completed claims process, claimants relying on affidavits or other supporting information and a list of conflicting claims is attached as Exhibit G.

18. The Preliminary Claimant List for Betsy Williams Descendants including a list of claimants with completed claims process, claimants relying on affidavits or other supporting information and a list of conflicting claims is attached as Exhibit H.

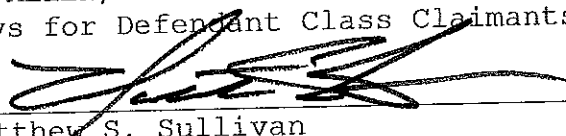

19. All of the supporting documents that were submitted by the claimants who fall into the Affidavit Category or the Conflicting/Incomplete Category will be provided directly to the Court for review, as there may be information within the submissions that would otherwise be private and should not be filed publically.

20. Simultaneously with the filing of this Notice of Filing of the Preliminary Claimant list, the undersigned will post the information on the firm website and notify each person included on the Preliminary Claimant list (who provided contact information) of such posting and the information contained herein.

This 5th day of June, 2015.

Re: PCS Phosphate/ Essie Moore Long et. al.
Beaufort County File No.: 14-CVS-327

Dear Class Claimant:

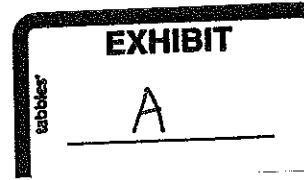

Our firm has received a claim from you for the Eliza Diamond Property Class Action Settlement. In order to help each Class claimant with the necessary documentation to support their claim as required by the Court, I've enclosed two things:

- (1) A copy of the Claims Procedure; and
- (2) A checklist for filing the **Notice of Claim** information and a checklist for filing the **Proof of Claim** documentation.

PLEASE NOTE THERE ARE TWO (2) STEPS IN THE CLAIMS PROCESS. THE NOTICE OF CLAIM AND THE PROOF OF CLAIM.

Please review the attached checklists for both steps. Some Class Claimants may have already submitted some or all of the information listed. Please understand that as Class Counsel, we have not made an individual determination of whether a Class Claimant has complied with the information needed.

Each Class Claimant is responsible for submitting the information that is required. If you believe that you have already submitted all required information for both the Notice of Claim and the Proof of Claim, you are not required to submit the information again. However, if you have only submitted your Notice of Claim information, you must now submit the supporting Proof of Claim documentation (birth certificates, etc.) Again, please use the attached checklists to help you with the claims procedure.

Class Claimants
March 11, 2015
Page 2

Each Class Claimant will fall within one of the categories A,B,C,D,E,F or G. **Each Claimant must decide which category that they fit within and then provide the corresponding Proof of Claim documents or information. Your Proof of Claim and corresponding materials must be provided to us no later than May 6, 2015.**

Again, even if you have submitted all information for the Notice of Claim and the Proof of Claim, please review the checklist and paragraphs A-G to be certain you have complied. If you feel unsure you can send all the information again.

I would encourage you to use the checklist as a guide to make sure that you have either previously provided the information to us or whether you are providing that information now. Mark each item on the checklist and the category (A-G) that best fits you and then return all of the supporting documents (if you have not already done so) including the checklist to my office no later than **May 6, 2015**. I would also encourage you to keep a copy of whatever you may send.

If you have any questions, please feel free to contact our office.

Sincerely,

WHITE & ALLEN, P.A.

CLAIMS PROCEDURES

I. Notice of Claim

To qualify as a Claimant, an individual must file the following, in writing, with Class Counsel:

- full name;
- mailing address;
- telephone number;
- name of person identified in the Referee's Report¹ as an "Owner"² through whom the Claimant is claiming;
- brief explanation of Claimant's basis for claim (e.g., child of Owner named in Referee's Report); and
- proof of identity (e.g., government issued photo identity).

In addition, each Claimant is encouraged to provide Class Counsel with an email address for ease in communication and to reduce the cost of communicating with Class Counsel.

Each Claimant is responsible for promptly notifying Class Counsel in writing of any change to the first three items of information required by this Notice of Claim section as well as the Claimant's email address, if provided. All Court-ordered notifications sent to either the last email or mailing address provided by the Claimant shall be deemed sufficient and Class Counsel shall be under no obligation to attempt any other notification to such Claimant.

Failure to provide the above information by March 6, 2015, the Deadline for Filing Notice of Claim established by the Court, will bar the individual from participating as a Claimant.

II. Proof of Claim

On or before May 6, 2015, the Deadline for Filing Proof of Claim established by the Court, each Claimant who has timely filed a Notice of Claim must provide the following written documentation to Class Counsel. Failure to provide the following information by May 6, 2015, the Deadline for Filing Proof of Claim established by the Court, will bar the individual from participating as a Claimant.

¹ "Referee's Report" means the November 18, 1968 Report filed by Referee Clarence Griffin in 68 CvS 1157. The Report is available at the Class Counsel's website: www.whiteandallen.com.

² "Owner" means an heir of Eliza Diamond identified in the Referee's Report as owning an interest in either or both Tracts. A list of the Owners is available at the Class Counsel's website and is attached to the Notice as Attachment B.

A. If Claimant is an Owner identified on the Referee's Report. No further documentation is required.

B. If Claimant is a child of an Owner named in the Referee's Report. Claimant must provide Claimant's birth certificate showing as a parent an Owner named in the Referee's Report.

C. If Claimant is a grandchild, great-grandchild, or later direct descendant of an Owner named in the Referee's Report. Claimant must provide Claimant's birth certificate, the birth certificate of a parent identified on Claimant's birth certificate, and birth certificates of each previous generation until a birth certificate identifies as a parent an Owner named in the Referee's Report.

D. If Claimant's interest passed to Claimant or his/her ancestor by Will. Claimant must provide a copy of the will or wills and birth certificates sufficient to show both a link from an Owner identified in the Referee's Report to the testator and from the will beneficiary to the Claimant.

E. If Claimant's interest passed to Claimant or his/her ancestor by Deed. Claimant must provide the deed or deeds through which Claimant claims, and birth certificates sufficient to show both a link from an Owner identified in the Referee's Report to the grantor in said deed and from the grantee in said deed to the Claimant.

F. If Claimant is former spouse of a deceased person who, if alive, could have claimed under ¶ A, B, C, D, or E. Claimant must provide an affidavit detailing the full name of the deceased spouse, a copy of the marriage license, the deceased spouse's death certificate, the proof requirement for the deceased spouse specified under ¶¶ A-E, and the names of all children (if any) of the marriage who survived the deceased spouse.

G. All other Claimants. Claimant must provide an affidavit detailing the basis for Claimant's claim and an explanation for why the documentation required by ¶¶ A-F is not available.
